ADDENDA: The undersigned hereby acknowledges receipt of the following addenda to the Specifications, all of the provisions and requirements of which Addenda have been taken into consideration in the preparation of the foregoing proposal.

A. ORIGINAL – Page 4 and 5 of 29 of Bid Package – Section 9.0

9.0 BASIS OF BID AWARD – Submission and award of bid for Fire Department uniforms and accessories shall be an ***all or nothing***. The contract will be awarded to the lowest responsible bidder or the bidder who provides the best value for the City, and whose bid price and other factors have been considered in accordance to provisions of Chapters 252 and 271 of the State of Texas – local government code, consistent with the quality needed for effective use. All prices quoted will be firm. Award to successful bidder will be made by City Commission action.

REVISION – Page 4 and 5 of 29 of Bid Package – Section 9.0

BASIS OF BID AWARD – The contract will be awarded to the responsible and responsive bidders meeting the specifications and having the lowest possible total extended price of the Base Bid (unit cost), consistent with the quality needed for effective use. All prices quoted will be firm. Award to successful bidder will be made by Brownsville City Commission action. Bid pricing shall be firm for the entire term of the awarded contract. Prices established in continuing agreements and annual term contracts may be raised due to inflation and increased operating costs (i.e. dramatic increase in petroleum based products, minimum wage, etc.). Any price increase proposed must be submitted thirty (30) calendar days prior to the anniversary date of the annual term contract and shall be supported with proper documentation, as provided by the U.S. Department of Labor Consumer Price Index (CPI), <http://www.bls.gov/cpi/>. The City of Brownsville will reserve the right to approve or disapprove any request for increased prices.
